A plot space includes: One full burial or one urn interment. Up to five additional urn interments are permitted.

The purchase of a niche in the columbarium includes the interment of one standard urn. There is a maximum of two standard urns per niche.

Columbarium niche plaques have been pre-selected by the municipality to ensure uniformity of design. These plaques **must** be purchased through our office. For further details, please contact our office.

To purchase a plot(s) or niche, contact the R.M. of Lac du Bonnet Administrative Office to make arrangements for assistance.

Upon selection of a plot/niche, payment will be made at the R.M. of Lac du Bonnet office (4187 – PR 317). Plot and Niche fees are subject to change as determined by the municipality at any given time.

Urns must be placed not less than twenty-four (24) inches deep and in such a manner as to ensure that the container is covered by a minimum of twenty (20) inches of earth cover.

Once the interment has taken place, the municipality is not responsible or liable for leveling the burial site. Plot covers are no longer permitted.

The placement of any type of structure in the cemetery must have approval from the municipality.

By-Law 2-18 outlines the rules, regulations and fees for all cemeteries maintained by the Rural Municipality. (A paper copy is available at the Rural Municipality of Lac du Bonnet Administrative Office and on our website www.rmldb@lacdubonnet.com)
